

SENIORS –

Senior Project is a class developed to meet State requirements. It is a privilege and a great opportunity to give back or to shadow and learn of future occupations and careers. Some of you will need this for graduation while others for a replacement of sitting in a 4th class your last semester of high school. This class does not affect your grade point average but will be on your final transcript that your future college and employers will view. Either way you do not want an F.

This is probably one of the easiest tasks/classes you will encounter during your high school career. Please do not make this any more difficult than it should be. The most difficult part of Senior Project is that you are held accountable on 5 different dates. On each turn in you will have paperwork that is filled out by you. Your paperwork can be turned in at the Main Building Library on the turn in date until the end of 3rd block. You must bring it up to the annex gym after 3rd block. Any paperwork turned in after these times **MUST BE HAND DELIVERED PERSONALLY** to Coach Towers. Senior Project assistants are not allowed to accept paperwork from anyone. The Offices at the Main Building and the Annex will not accept paperwork. **IT WILL BE YOUR RESPONSIBILITY TO TURN IT IN.** Late or missed dates will result in an F for Senior project.
