

SENIORS,

Welcome back to school! I hope this year will be a memorable one for you with a smooth transition into your next adventure after high school. Senior project is a class developed to meet State of Tennessee Education requirements. It is a privilege and a great opportunity to give back or to shadow and learn of future occupations and careers. This class does not affect your grade point average but will be on your final transcript that your future college and employers will view. It is still a Pass or Fail class.

This is probably one of the easiest tasks/classes you will encounter during your high school career. Please do not make this any more difficult than it should be. The most difficult part of Senior project is that **YOU ARE HELD ACCOUNTABLE** on 5 different dates. On each turn in, you will have paperwork that is to be filled out by **YOU!!** Your paperwork can be turned in at the **MAIN BUILDING LIBRARY** on the turn in date until the end of 3rd block. If you can't get to the library by 3rd block, you will need to bring your papers to me at the annex. Late turn ins **MUST BE HAND DELIVERED PERSONALLY TO ME.** Senior project assistants are not allowed to accept paperwork from anyone.

If you miss a turn-in, then you will be assigned to the roster of Senior Study Hall during BDP - one week after the turn in date. If you fail Senior Project in the fall - you will not be allowed to take Senior Project in the spring semester and will be enrolled in a class to take it's place. For those that meet all the requirements - at the end of the fall - there will be a special incentive for meeting all the turn-ins.
