

White House High School Honors Course Contract

Honors courses are a vital part of our academic program at White House High School. These challenging courses allow students to develop college preparatory skills and prepare for Advanced Placement and/or Dual Enrollment courses. As you carefully consider the extra time needed for an Honors course, you must also evaluate academic, extra-curricular, volunteer, and employment commitments.

*In order for admittance to the desired Honors course, **both** the student and a parent must initial each statement below:*

1. I understand that it is my responsibility to check my SumnerK12 email account for any assigned Summer/Fall reading assignments. _____
2. I understand that the class will assign high-level, independent assignments. _____
3. I recognize that I will be asked to employ critical and analytical thinking skills. _____
4. I understand that my honors courses must be a high priority in regards to time management and self-discipline. _____
5. It is my responsibility to seek academic assistance when necessary. _____

I understand that by signing this contract, I am committing to the rigor and pacing of an Honors course. I will not be afforded the opportunity to transfer to the standard class.
