

“Due to complications from COVID shutdowns, the 2019-2020 WHHS yearbook has been delayed. Everyone involved has been working diligently to create a great product, including as many pictures of spring sports and activities as possible.

We currently have a delivery date scheduled for December 14. When we have specific delivery information, we will create a safe, efficient procedure for distributing the yearbooks.

We appreciate your patience as we try to deliver the best possible yearbook for our students.”

Sincerely,

WHHS Administration
